Meeting Highlights & Other News:

Trails Are Open! USE CAUTION!!

April's meeting was held at Kasoag Lake Inn, there were 89+ in attendance. Thank you to all new members who showed up. Thanks to Kasoag for hosting us and providing the group with coffee!

Trails open generally the third Saturday in April, safety, trail conditions and weather permitting. This past winter has not been so nice to anyone or anything, including our trails. There are a lot of places that still need a lot of work, are closed, blocked off, etc. Please use common sense when out riding, pay attention to your surroundings, stay on the trails, follow all signs, don't go around mud holes this makes them bigger and requires more work to fix, do not remove anything used to block a trail ie: orange fencing, ribbon, tape, logs, gates, etc., they are there for a reason...SAFETY

**Trails close Sept. 30th at 10pm
Trails are open daily until 10pm**

Todd Pfluger will no longer be a member of our Board of Directors. Thank you Todd for all your hard work over the years!

Rudy Reyes will be joining our Board of Directors, Rudy is one of our land owners. Welcome aboard!!!

Lynn Sorbello will no longer be selling our clothing. Thank you Lynn for everything you have done to offer a variety of clothing for the club, dealing with the messes, changing our design and all the other things that went into this. Lynn will help out whoever takes over this and get them in the right direction.

50/50 winner – Duane Christenson \$126 Congrats

Voting was held, all persons holding positions were voted in for another year. Thank you for all your hard work and dedication!

This is no easy task and very time consuming. If there is a concern about not having a sticker, contact Becky (before 9pm) and she can look you up. Usually they are getting ready to go out.**

Newsletter:

***Would you like the newsletter emailed to you, rather than snail mailed? If there is enough interest in this, it may become an option.**

***Newsletters are no longer mailed in March, mailing starts in April.**

***Be sure to mark on the registration form whether or not you need a newsletter mailed. This is sometimes missed, then you get missed when it comes time to mail them out.**

Trail Updates:

Trails Are Open....USE CAUTION!

****THANK YOU** to all who have helped thus far getting the trails in shape. This has proved to not be an easy task, the winter was rough, then you get ice and wind and then more wind. It's been crazy out there! You all are amazing! Trail Bosses, keep up the good work getting all the stuff done that is needed and directing your help so things go smoothly.

*Nevermore Trail is closed until further notice, logging has caused a significant amount of damage.

* Hess Trail and the Railroad Bed will be marked with signs for a 10mph speedlimit. This will be monitored.

*An agreement has been made to open the Barclay Trail on May 10th instead of the usual June 1, however, no riding will be permitted before noon on this trail. This is due to turkey hunting season, so please respect those who will be hunting in the area by not riding before this time. This is a one season trial, if everything works out it will become annual, if it doesn't work out, it will go back to being open June 1st.

The following trails are currently closed: Yamaha (unknown time frame, at landowners request, sap business, safety concerns) and Pavilion Rd Trail (closed at owners request, there was a lot of damage done in an area where riders should have not been). **STAY ON THE TRAILS!**

If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. **Do Not** go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

Work Details & Contact Info.:

Trail Coordinator:	Mike Ortman	315-591-7606	
Trail Boss:	Bobby Eggerling	315-668-6672	Wednesday
Trail Boss:	Mike Beadle		Tuesday
Trail Boss:	John McGrew	315-387-5415	Wednesday
Trail Boss:	Brian Clark		Saturday
	Steve Cronk	315-298-3312	Friday (call ahead)

There will be a whiteboard hung by the fuel tank on the side of the deer barn, this is where trail work will be posted. Check the board to see where work is being done for the day. It will list which trails.

Our trail system welcomes machines 70" wide or less. If your machine is wider than this, you may not fit on our trails/bridges.

New maps are available, \$5 each, pick up at Altmar Union Station and Altmar Hotel

Be sure to always carry a map so you know where you are and reduce your risk of riding somewhere you shouldn't be.

Trails close September 30th, 10pm, no exceptions!

Always carry your membership card with you for the current year, current sticker is on your machine and visible to others as you pass. If you happen to lose membership card or a sticker, contact Becky for a new one.

Trail Patrol is being restructured for 2018. Everyone on trail patrol needs to be on the same page as to what is allowed and what isn't allowed on our trail system.

This section will be updated accordingly

Stay on the trails or stay home!
