March 2023

Trails Are Still Closed

Barclay Trail is CLOSED due to logging

March's meeting was held at Kasoag, 11am, there were 100+ in attendance. Thank you to all those who attended and welcome to all the new members! Thank you to Jay and crew for hosting us! April's meeting will be here.

Barclay Trail is closed due to logging. Please stay off this trail until it is announced that it is back open. If you are caught on the trail during closure, you will get a ticket. The Sherriff Patrol will be keeping an eye on this trail.

Tailwater Lodge will be selling memberships and maps this year. If you stay there and want to ride the trails, you need to buy a membership and a map. It is not included in your stay.

VIP Stickers: new for this year, if you see a machine with one of these stickers, it could be a landowner, board member, Sherriff Patrol, trail patrol or trail bosses.

Newsletters will only be posted on Facebook and the website, this is due to recent price increases for printing and postage, also time constraints from working a full-time job in the medical field. Sorry for any inconvenience.

Brian Clark and Jeff Paquette are overseeing the maps. There will be some updating done and will be available for June. The trails will be in different colors, businesses and sponsors will be numbered. Thank you both for taking on this task.

Voting is in April. All positions will be open. There will be a voting committee to handle nominations, voting and announcing winners. Leslie Waters, current secretary, will not be seeking re-election

Memberships and maps can be purchased at Buck's, Kasoag, Tailwater Lodge and Tug Hill Resort

The weight limit for machines is now 2,000lbs, no leeway.

Check out the sponsor pages to see the businesses that support us, let's support them!

Still looking for others who would be interested in taking over the web site, we currently have one person

Memberships:

Single: \$35, 1 machine only

Family: \$45, up to 3 machines only, \$10 for each additional machine, maximum of 5 machines for family membership

Each application **WILL** require machine year, brand, model, color, UTV dry weight total, plate number (if legally registerable in NYS). ANY application **NOT** containing all information, will not be processed.

All machines allowed on the trail system **MUST** have the yearly membership sticker placed on the front left of the machine, so it is visible.

Riding on a membership receipt will no longer be allowed.

Replacement stickers will be **\$10**

1-day passes are **ONLY** for the month of September, **\$15**

Memberships are mailed after payment methods have been cleared, whether it's a check, money order, PayPal, etc. All applications are reviewed for completeness, accuracy of information for machines, that rules are signed in agreement, addresses, phone numbers, etc. If something is not complete, this will delay the mailing of your membership card and stickers. This applies to online memberships as well, these are also printed and reviewed.

After May 1st, memberships will be available by appointment during the week and at the campground on the weekends

Meetings:

All meetings are held on the third Saturday of the month, 11am and at the clubhouse property in Altmar, unless otherwise noted. Everyone attending must sign in. If you have questions about any discussions during the meeting, please raise your hand, when called upon, state your name. Thank you!

Barclay Trail: CLOSED! Please stay off this trail or you will be ticketed. Reopening will be announced

Williamstown (Billytown Trail): OPEN!!! Please stay on trail and follow signs

Kevin's Trail: closed due to disrespect of a landowner, open to the big water hole and that's it!

Nevermore Trail: open!

Falls Rd Trail: permanently closed!

Bertha Mae: closed, new landowner

Yamaha Trail: open, needs some work, be careful and follow signs

Trail Work:

Trail workers are out on the trails, fixing holes, putting up signs, trimming, etc., making sure the trails are safe. If there is an issue on one of the trails, let someone know so it can be handled.

Please contact a trail boss if you can come out and help. We need more people to help with trail work. Most of this work is done by older members. Contact Steve and Mike or Bobby Eggerling for Wednesday crew

The club is looking into getting some "Trail Maintenance Ahead" signs, this should hopefully help cut down on the speeding through areas that are being worked on. Slow down!

Trail Patrol/Sheriff Patrol:

The Sheriff Patrol will be out on the trails again for 2023, helping the clubs trail patrol. There are a lot less complaints and safety issues. The Sheriff Patrol issued several tickets in 2022

Training Course: April 29th & 30th, courses full, contact Wayne for information on upcoming courses

Upcoming Events:
