

Newsletter.....Under Construction

April 2014

Newsletter Update:

My name is Jen Pieropan, I am currently handling the clubs newsletter. I am pretty new at this, so it might take me a couple newsletters to get the hang of it. Please excuse my mess! If there is anything you would like to see added, changed, deleted, etc., please feel free to contact me. I will put my info at the end of this newsletter. Thank you all for your patience. I look forward to meeting many of you in the near future.

With the trails set to open in a few weeks, weather and conditions permitting, it is a good time to remind everyone of the importance of our landowners. They play a key roll in the success of any club. They are generous enough to allow us to put trails on their property. If we don't respect the land we ride on, we run the risk of losing it or other landowners not allowing us to use their land, which means no new trails. Stay on the trails, obey any and all signs, go the recommended speeds both on the trails and on the roads, use hand signals and always follow club rules.

If you are out on the trails this riding season and you see a landowner, stop and thank them for the use of their land. They will appreciate it!

Riding is a privilege, not a right!
