Meeting Highlights & Other News:

A meeting was held on August 16, 2014 at 11am at Eddy's Place, Pulaski. There was about 45 members who attended. Thanks to all those who attended and stayed to have lunch!!

There was a moment of silence for Skip Williams, he passed away on Sunday August 10th, the day of his benefit. There were 28 machines that road to Skip's benefit. His family and friends that were there, were in awe to see so many machines and members of the club, come to support Skip. Skip was an active member of the club and even though he was in a wheelchair, he would get on his machine and go out and help work on the trails. That is dedication! He will be missed by many.

It was voted on and decided that, there will be NO more day passes given out. If you have any questions about this, please call Steve or Brad.

The United Friends of Homeless Animals night ride has been canceled.

Memberships for 2015 will have the rules printed on the back. The rules should be read and then there will be a place for a signature, make sure you sign this. If it is not signed, then it will be returned for signature. You will not receive your sticker or membership card until you do so. This is to insure that everyone is well aware of the rules.

The 50/50 was won by Rich (sorry I didn't get last name), he generously donated his winings of \$52.50 back to the club. Thank you Rich!!

There are lots of gun raffle tickets still available. We have about a month to get them sold before the drawing on Sept. 20th. If you would like to purchase or sell raffle tickets, please call Brad. Many thanks to all those who have sold tickets or bought tickets. Wouldn't it be nice to have a new gun to go hunting with this fall or some cash if you don't want the gun????

A very special thank you to some of our members, who made much needed donations to the club:

Jim Bechtel – chainsaw

Barb & Jim Cronk – weed eater

Hawk Cable & Pipe – 5 rims (to be used as fire pits at campground)

Brian Parker – 11 rims (to be used as fire pits at campground)

Gene & Mary Ann Stevener – hot dog rolls (ride for Skip, details below)

There were several riders that were on the trails Saturday, August 9th that were caught not only, not following club rules, with load machines, speeding, and racing around the trails being disrespectful, but they were also caught by the DEC. There were about 11 tickets issued to them (individual) for things such as no registration, no insurance, popping wheelies (in front of the DEC officer), among other things. We are very serious when we say "Follow the rules or stay home!"

Altmar Union Station (formerly Little Lukey's), Brenda Butler & Aaron Walter, owners, is now open for business! They currently have gas and convenience store items, will be doing memberships and maps and are working on adding other things in the near future. We are able to park and unload there as well. We wish them a lot of luck and success!!!

I received a nice letter from Mike Cecere, a valued club member. He wanted to touch base with us and let us know his progress is spectacular and thank everyone for their good wishes. He says he has not felt this good since his days training lions with the traveling circus when he was 18. It was very nice hearing from him! He even enclosed a picture of himself, with the lions, as the worlds youngest lion trainer! I am sure Mike would like to hear from some of his friends, here is his address:

Trail Updates:

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. Do Not go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do, all the help we can get, would be greatly appreciated!!! NO new trails until we get more help with current trails!

TRAIL PATROL

The ATV club has a trail patrol set up and headed by Mike Ortman. There will be check points set up throughout the trail system. The members of the patrol will have green florescent vests and marked ATVs. If you happen to come upon a check point, be sure to slow, as they will be checking for club registration stickers. If you don't have your sticker on your machine, they will stop you and you will be questioned. If you have purchased a one day pass, you will need to make sure you have your receipt with you the entire time you are on the trails. No one is allowed to ride the trails unless they are a member of the club. If you have any questions give Mike a call, 761-2423, he will be glad to assist you.
